Kosair Motor Corps

Well, here it is time to write an article again. It’s Friday nite and like last month, and the month before, you guessed it. It’s raining. I really can’t take much more of this rain. Anyway, time to catch up. Went to Kerbela fun feast. What a blast, no rain, great. I would like to personally thank Momma Donna and Pappa JR. They did an outstanding job of running the hospitality Room for the week, never ran out of food or drink. Parade was great. I think we had 4 Motor Corps Riders in the Friday parade and 3 in the Saturday Parade. Is it just me or does it seem like not a lot of people go down to Kerbela anymore. I sure enjoy it. Anyway I heard that some drunk fellow was running around in white underwear mooning people. Sure enough someone captured a picture but as of this writing none have surfaced.

Ok I made a slight mistake last month, I stated that the Sam Swope Road Rally was on the 18 of June (Wrong) I meant 18 of July. So Sorry.

Well, I didn’t get to go to the Lexington Parade at the Shrine Hospital because it was raining hard that day there I mentioned rain again). But from the Gilkey camera, it looks like quite a few people did manage to make it. Good Showing. It’s for the Kids.

We had Noble Roger Dabney back at the meeting this month, he is the president you know. He says his knee is healing slowly. I would like to give a big shout out this month to Lady Donna Schlise, Wife of our Liquid Control Engineer for the unit, how do you do it? Hats off to you.

Noble Charlie Gardner won the half n half for April. And lastly I will leave you with some of my not so funny puns:

Observations on Growing Older

~Your kids are becoming you... and you don’t like them...but your grandchildren are perfect!

~Going out is good.

~Coming home is better!

~When people say you look “Great”... they add “for your age!”

~You forget names ... but it’s OK because other people forgot they even knew you!!!

~The 5 pounds you wanted to lose is now 15 and you have a better chance of losing your keys than the 15 pounds.

~You realize you’re never going to be really good at anything ... especially golf.

Until next time

The last couple of meetings have been held in the side dining room at Kosair due to temporary physical limitations of several of our members. At our last meeting, we discussed the Portland parade which we will attend.

Pete Boyce will let us know where and when we can visit the WW II Aviation Museum at Seymour, Indiana. Hugh Cohen gave us the Soaring date at Bardstown Airport as August 8th with a rain date of August 15. This will be further discussed at our next meeting. We discussed the Flying Fezz participation in the Parade of Colors to be held at the Masonic Home on June 12.

We remembered the famous airman, Dick Malloy and what he meant to several members of the unit and to Kentucky aviation. A report also given as to the health on Jim Roberts, he is one of our members. We participated in the Pegasus Parade and this was quite an event.

Everyone who plans to attend please RSVP with the number of guest you will be bringing. You can send your RSVP to Gary Morgan at 502-744-8941 or e-mail me at glmo12@aol.com, and to Ed Mercer at edwardmercer@bellsouth.net.

Yee-haw! Summer is here and outdoor, as well as a few indoor activities, are heeting up. The parade season is in full swing with us hillbillies goin a short piece up to Pekin, IN on July 5th. A bunch of us sur enough had a heap of fun at the Portland parade in June. Out newly done over parade vehicle may be smaller but most seys it’s gooder than before.

The fishing tournament at Taylorsville Lake in May raised sum money fer Kosair Charities. Mitey glad it didn’t get rained out. We had an even more successful fundraiser in June. In September we all be “grillin fer kids” durin the Fairdale Fair to give even more to charity.

November 12th wuz the date voted on at our May meetin fer our 2nd annual Hillbilly Night at Kosair Shrine. If any of ya’ll have sum ideas or wants to help, mosey on down to the hillbilly meetin on the 4th Sunday of the month at 1:30. Get thar a little early fer sum good ole hillbilly hospitality and good vittles after the meetin.

Last but not least, let’s keep Mark Compton’s Lady, Linda Johnson, in our thoughts and prayers. Hopefully by the time ya’ll read this she’ll be a fer piece down the road to a full recovery from hip surgery.

May Your Heart Be Filled With Happiness And Goodwill.

Bug Biz

By Rick Talbott

Well, Spring finally made it to the Bluegrass. Along with the nice weather brings out another one of the Sand Bugs distant cousins, the flashy shutter-bugs. They are very supportive of their loud and colorful cousins. They attend all the events, taking Bug-family photos. Seriously, we’d like to thank Jim Eaton, John Wesley and Pat Gilkey who vigorously capture the many events of Kosair. They say a picture is worth a thousand words. We also appreciate how quickly the coverage is published on the Temple Web site.

We look forward to having everyone lined up for the upcoming events in Madison-2 July, Pekin-5 July and Oldham County 17 July. Remember, there’s no tighter bond than a Bug-Brother.

Kosair Past Masters
By Marvin Foster

Our President, Noble David Hampton, reports that we will be doing Road Blocks and Buck-a-lines, starting soon. Everyone who is able is requested and invited to participate in these activities.

Our Unit’s regular meetings are the first Monday of each month at 7:30 p.m. We invite all Members to attend as often as possible. We have a great time with good Fellowship, so we look forward to seeing as many as can possibly come.

The President reported that Noble Bill Lewellen is doing real well, and he attends as many Meetings and different functions as he possibly can. We are happy that he is able to be up and about as much as he is.

I had carotid artery surgery on the right side of my neck on the 3rd of May, and I am doing well. My follow-up exam was yesterday and I was told that everything was in good shape. I really appreciate your thoughts and prayers during my confinement.

Secretary Arnold Wyatt asked me to again remind the Members who are delinquent on dues to please follow up and try to get current with the Unit. The dues are $15.00 per year, and they are due on January 1 each year. Some are two or three years delinquent, and he has sent letters reminding the delinquent Members, but hasn’t heard from them. To avoid suspension, please contact the Secretary and help him to get you current.

MY THOUGHT: ONE DAY AS I SAT MUSING, SAD AND LONELY AND WITHOUT A FRIEND, A VOICE CAME TO ME FROM OUT OF THE GLOOM SAYING, “CHEER UP, THINGS COULD BE WORSE.” SO, I CHEERED UP, AND SURE ENOUGH, THINGS DID GET WORSE.

YOURS IN THE FAITH, MARVIN FOSTER.

Street Machines
By Ed Embry

Greetings from the Kosair Street Machines.

Our monthly “Drive and Dine” was held at Mike Linnig’s Restaurant.

We had 11 people enjoy conversation and food at its best.

Our calendar for the next 3 months are as follows:

June 19 at Hubers in Starlight, In
July 10 at Kingfish on Zorn Ave.
Aug 14 at Our Best on Bardstown Rd in Fern Creek

All times are 2:00 pm
We will be forming our calendar as the meetings come and go.

The final report on the car show shows that we had a very good show.

Many thanks the clubs, units and individual Nobles that helped.

Keep next April open for our 2011 car show.
To all Nobles,

What could happen if you or a loved one need emergency medical care? Is it important for emergency medical personnel to know your medical history, medications you take, and for your family to be contacted? Emergency Alert Network (EAN) is a member benefit program for Kosair Shriners that can help.

The Emergency Alert Network has some 950,000 plus members. For more than fourteen years people have found comfort knowing the national EAN system may be able to help in emergencies.

Kosair Shriners have the opportunity to receive the following benefits when becoming a member of Emergency Alert Network:

EAN will record a complete medical history of each family member.

EAN will notify pre-designated persons of a casualty.

EAN will issue identification cards for each family member.

One payment covers a lifetime - for up to 5 family members under the same roof.

In the event of a casualty, first responders call EAN for medical advice.

With a most special thanks to Illustrious Sir Jim Booher, PP for spearheading this project, Kosair has negotiated a one-time payment of only $119. The standard price for a non-Kosair family is $299, thus our nobles save $180.

The first one hundred Kosair nobles can enroll for only $99.00. Protect your family - be one of the first 100.

Caring for children year after year

Members of the Kosair Charities 1000 Club recognize that treating children sometimes requires a multi-year commitment. Annual donations to Kosair Charities secure funding for pediatric-related programs and individual financial support, so that no child’s medical need is left untreated. Donors who have pledged to provide Kosair Charities a minimum of $100 each year for 10 years are recognized as members of the 1000 Club.

For more information about how you can help Kosair Kids as a member of the 1000 Club, please contact Eric Churchill at (502) 637-7696 or echurchill@kosair.org.

Grant helps Family Scholar House provide fun and stability for program’s children

If you’ve never heard of Family Scholar House, you’ve missed out on remarkable stories of young men and women who have defied the odds and their backgrounds to reach success. Family Scholar House is an organization that provides a safe and motivational environment that supports single parents while they earn a four-year degree. What makes this program unique is the approach they take to caring for the wellbeing of the family—both parent and child—as a unit.

“The focus of the organization is education, but the goal is total health, wellbeing and stability in a holistic setting,” said Cathe Dykstra, President and CEO for the organization.

Program participants either have children or are expecting children. The program allows these students to get their education while providing care for the children in a variety of settings. Most individuals involved in the program are victims of domestic violence with no place to go and no way to care for themselves or their children. The program offers housing and a safe environment, providing the stability needed to be successful.

Children participate in activities designed especially for them. Thanks to Kosair Charities, two playgrounds are now part of the facility; one outdoor on the Early Learning Campus and another indoors at the Owsley Brown Frazier Academic Services Center. Both play areas provide children with opportunities that stimulate physically and mentally, a combination of play centers and open areas that encourage children to play together, but also use their imagination.

Plans are underway for a second campus downtown that will serve another 60 families on the program’s waiting list; a waiting list that currently carries 637 families.

“We’re so excited about this new campus and about the opportunity to continue to expand our services,” said Dykstra.

The organization has put an extensive effort into carefully planning programs that will be most effective for serving these families.

“When we design a building, we design it to meet the needs of the programs; we don’t design the programs to work with the building,” she said. “We’ve been so grateful for the partnership with Kosair Charities to help us do this.”

While the waiting list is long, the program is well worth the wait. The staff and more than 350 volunteers have the family’s best interest at heart.

“The ultimate goal of this program is education,” said Dykstra. “Educate a mother—bless a child.”

Greetings from the Roustabouts!

– Luke Martin

at to meet with our brothers in fellowship, and that is what we did once again at our last meeting. We had a great turnout and a very productive meeting. We had several new members that joined the Roustabouts at our last meeting. We would like to send out a big WELCOME to our newest members: Nobles Mel Borich, Mike Smith, Freddie George, Louis Dixon and James Zofer.

We hope to see everyone at our next meetings which will be Wednesday 5-26-2010, 7-28-2010 and 9-29-2010. Our unit is really focused on meeting our goals and sending even more children to the circus this year; so with that said, I hope to see you all out at the road blocks.

If you ever have any questions about the Roustabouts, feel free to contact us or check our website at http://www.kosair.com/roustabouts.html.

One last thought, I know we say we would do whatever we could to help out another Mason/Brother/Noble, but go one step further and help others around you in their times of need. Through our good examples in everyday life, we will just grow stronger as Nobles.

Oriental Band
By Chuck Strothman

Well, the Derby fever is almost gone, and so is a good part of the summer. Kosair Shrine has certainly had a great time celebrating a variety of events: Derby Festival, the ARCH presentation, Kerbela Fun Fest, Madison Regatta Parade, the Unity Class ceremonial, and, of course, the Potentate’s Ball. The Oriental Band was well represented at most of these events; thanks to all of our Band members who participated at these events.

A word of thanks now to our President, Gerry Ashby. Following the Pegasus Parade our vehicle went on the fritz and needed some repairs. Gerry spent some long hard hours getting it ‘road-worthy’ again. THANKS!!!

Welcome to our new member, Al Dixon. Bic Al, and our other new member, Paul Moon, are now enrolled in ‘Horn School’, which is led by our Music Director, Jack Diehl.

In the meantime both of them are participating in our practice sessions with tambourines, the gong, and Pogo stick.

We need to keep in our prayers: Cecil and Lottie, Joe and Newel, Mike G., George, Estill, and Joann.

Well , I am sure that I could have written more, but I will try to remember to put more details in the next article. Let me know if there is something you want mentioned. As usual, we want to see your smiley-face on Monday nights. WILL BE LOOKING FOR YOU!!!

Downtown Hi-12 Club

Here it is July already and it is hard to believe we are six months into 2010, my how time flies. We hope you have or will have a very pleasant Independence Day to celebrate the founding of this great nation. In these troubled times our independence is even more important to our well-being as a nation. For this reason Independence Day reminds us of the past and the future of our country and to restore it to its prominence again.

We have a varied and interesting list of speakers at High Twelve this month with something for everyone:

- July 2nd, Dr. Jack Early
  America, The Land Of The Free

- July 9th, Gary Purlee
  The Tornado of 1917, in New Albany

- July 16th, Lou. Metro Police Officer Jerry Thornsberry
  Crimes Against Seniors

- July 23rd, Roger Boyd,
  Public Affairs, Louisville AAA

- July 30th, Ms. Ceil Sperzel
  Indiana R.S.V.P.

So there are five good reasons to join us for lunch plus fine fellowship and information. Your ladies are cordially invited to attend. I leave you all with this thought to remember.

Character is made by what you stand for, reputation by what you fall for.

Fraternally, Bruce Pelham PP & Sec’y
We are in the SWING of things with our matches and scrambles. As the golf season progresses, our handicaps are dropping and the matches are becoming more competitive.

We welcome Noble Matt Rodgers as our newest member to the Kosair Golf Club.

We had a great ALL MASON OUTING Scramble at Eagle Creek on June 7. We enjoyed golf, fishing, food and fellowship. Thanks to all who attended and participated. We appreciate all the volunteers gave of their time and talent to make this event a success.

We are looking forward to our next club scramble on Tuesday July 13 with a shotgun start 8 am at Heritage Hill Golf Course in Shelbyville. Heritage Hill was named #3 Public Course in Kentucky for 2010 by GOLF WEEK Magazine.

We welcome Nobles to join the Kosair Golf Club for 2010. Please contact Tom O'Bryan 387-6525 or Larry Frans 502-543-2742, or see our web site at www.kosair.com/golf.html for more information about the Kosair Golf Club.

Transportation Unit

As I have done in the past, after a new group of Master Masons have been made members of Kosair Shrine, I would like to introduce them to the Transportation Unit.

This Unit is composed of Kosair members that transport children to various medical appointments who otherwise would not get there. We usually go to either the Lexington, Ky. Shrine Orthopedic Hospital or the Cincinnati, Ohio Shrine Burn Hospital. I say usually; we also go to other medical facilities (all in Kentucky) if necessary.

The only requirements to be a member of this unit are:

1. Be a Kosair Shriner and be agreeable to the Unit Bylaws.
2. Have a current Kentucky or Indiana drivers license and able to pass a five year history check. You must also be insurable.
3. Able to safely drive full size vans on extended trips.
4. Want to help children.

If you wish to learn more concerning this Unit our meetings are the third Wednesday of the month, 10:30 AM at Kosair Shrine. You will be welcomed.

Recently two of our main cogs (I said cogs and not codgers) had some medical problems. Director Stan Bain was being seen by his Doctor for one problem and they discovered a second. And on Thursday, before the Derby, President Art Davis was admitted to the Hospital for several days. As I heard an old gentleman say one day, "old age ain’t for sissies". And while we’re on this subject it was good to see Richard Goben at our April meeting after a long absence due to his illness.

Our trip load picked up considerably the past few months. From March 17th thru April 20th we made 21 trips, driving 5545 miles for an average of 264 miles per trip. Then from April 21st thru May 18th we ‘only’ made 19 trips but drove 5721 miles for an average of 301 miles per trip. That’s a lot of windshield time.

Until next month, Aleikum Es Salaam

Shrine Hospital Day in Lexington
At the June meeting we had the pleasure of having Bridget Hart, Nurse Practitioner, speak to us on skin care, telling us how to take care of our skin especially during the hot summer months and how to avoid skin cancer. She answered questions about how to prevent unsightly wrinkles and droopy skin, something we all wanted to know! We also swapped books at this meeting.

The lazy hazy days of summer are upon us, with vacationing, sitting in the shade with a good book, going to parades or just making the summer days special with fun things to do. Girlfriends Day Out Party, is July 10, 2010 at 5003 Creek Circle, Prospect, KY 40059, you can read (bring your new book from the book swap), play cards, swim, or just do girlfriend stuff, maybe polish each other’s toes. This will be a wonderful day with food, drinks, access to a big beautiful pool, sunshine and shade. We will start at 11:00 a.m. and finish around 2:00 p.m. or 3:00 p.m. Come enjoy the fun!

The Bring and Buy Auction will be held on August 7, 2010, 11:00 a.m. to 2:30 p.m., at the gorgeous Galt House, Suite #345, overlooking the Ohio River. The price is $15.00. If you have ever been to one of our Bring and Buy Auctions you know that it will be great, with lots of food, bargains galore, (and we all love bargains), fun and fellowship, with the money going to a good cause.

Don't forget to buy your tickets for the Red Mink Mini Stole, which will be given away at the November meeting. Don't forget to put on your “white thumb” and make cakes and other goodies for the bake sales we will have on JUNE 25th (Karaoke Night), JULY 30th and AUGUST 27th. Sounds like a busy summer and it will be gone before you know it!

Our next meeting will be on Monday, September 13, 2010 bring your Kosair Koins for Kids banks and see how much we have saved up over the summer months. Have a great summer and we’ll “See you in September”

Call a friend for coffee, call a friend for tea, call a friend for prayer,
call a friend to laugh, call a friend to shop, call a friend to share –
